

C4S Range - Silent Fan

Key Features

XPELAIR C4S

Type: Axial extract fan.
Application: Bathrooms, shower rooms, cloakrooms, kitchens & toilets.
Actual size: 180mm(W) x 180mm(H)

The C4 Contour range effectively eliminates humidity, condensation and odour to improve air quality. Suitable for wall, ceiling and panel and window fitting. The C4 range has two speeds, selectable at installation.

Fan is fitted with a 100mm dia. impeller. Each stylish fascia blends with the surrounding decor, and can be removed with ease for cleaning.

Near-silent minimises disturbance from noisy bathroom fans for a peaceful night's sleep.

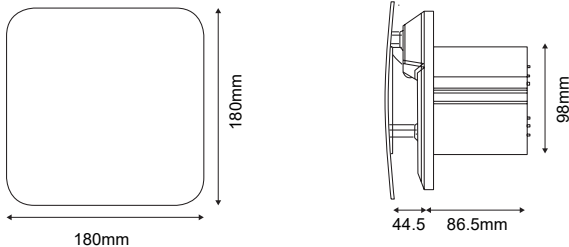

The C4S is suitable for safe installation in a bathroom, fan is rated IPX4.

Models
